

Basic Skills

Small Boat Sailing Scheme

Get wet, Get on the water!

Objective	By the end of this course you will be sailing on your own in light wind conditions without assistance from your instructor.
Previous knowledge / experience	You will be expected to be able to demonstrate the skills and knowledge included in the <i>Start Sailing</i> course.
Types of Boats	This course may be completed in any type of sailing dinghy, small keel boat or catamaran. Your certificate will show what type of boat you used. When this course is completed in single handed boats the sections relating to crew or those marked with an asterisk may be omitted.
Duration	4 - 10 days
Assessment	Assessment is continuous throughout the course. However, your instructor may also choose to use a formal practical assessment of boat handling skills and a short written paper or oral interview in assessing your level of background knowledge.
	<i>By the end of this course you will be able to do the following:</i>
Clothing & equipment	<ul style="list-style-type: none">• Decide what to wear before you go sailing.• Equip a sailing boat for use.• Check that your sailing boat is safe to use.
Rigging	<ul style="list-style-type: none">• Identify all of the parts of the boat, rigging & sails.• Rig a boat for use and according to the weather conditions.• De-rig a boat and secure / care for hull, foils and sails.• Reef a boat while ashore.
	Keelboat sailors will be able to reef their boat while on a mooring.
Ropework	Tie the following knots and describe when to use them: <ul style="list-style-type: none">⇒ A bowline⇒ A clove hitch
